3 CATEGORIES OF CARPETS

A. Anchor

S. Supporting

C. Complementary

Our Anchor rugs can be selected in 3 formats: typically, a 9'x12' (or 8'x10'), or a runner format (3'x10') or a large sample (3'x5').
Supporting rugs can be selected in an 18"x24" format.
Complementary rugs can be in 1'x1' format.

The differentiation in formats reflects the weight of each carpet in a project and shows an original, eclectic and beautiful display in the showroom for presentation purpose.
